8. The contract for which tenders are now invited shall be subject to the following conditions, namely :—

I. The contractor will be required to manufacture within the enclosure of the Government Distillery near Bangalore, or at such other place as may be approved by the Government. For the use of the Distillery buildings near Bangalore, together with the existing system of water-supply thereto, the contractor shall pay rent to Government at Rs. 500 *per mensem*. Such improvement or addition to the said buildings or water-supply as may be approved by the Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government.

III. The contractor will be allowed to purchase spirit from any Sugar Factory which may be established in Mysore, and which may be authorized by Government to distil Arrack. Should the contractor himself establish a Sugar Factory and distil Arrack therein, with the permission of the Government, he will be bound to keep in stock such quantities of spirit at such factory as may be fixed by Government.

IV. In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish out-stills, giving the contractor the first refusal of so doing.

V. The contractor shall, upon receipt by him of price at the rate fixed by his contract, sell the spirit at the Government Distillery or other place where he may be allowed to manufacture. Such sales shall only be—

1*st*. For the supply of such Bonded Depôts as Government may, from time to time, establish and maintain;

2*nd*. To separate shop-keepers licensed to sell in the Civil and Military Station of Bangalore, in the Cities of Bangalore and Mysore and in other places to which the Separate Shop System may be extended;

VI. The contractor shall be bound to conform to the provisions of Act XXII of 1881 (the Excise Act) as in force in the Civil and Military Station and as introduced into Mysore with certain modifications by Regulation III of 1885, as well as to the Rules framed thereunder by Government from time to time.

VIII. Should the in-coming contractor so require by at least one week's previous notice in writing, the out-going contractor shall cease preparing "Wash" during the last month of the expiring contract, and vacate the buildings so as to admit of the in-coming contractor commencing operations. Should no such notice be given, the out-going contractor may continue distilling till the end of his contract, after which further distillation must cease.

IX. Should the out-going contractor so desire, the in-coming contractor shall be bound to purchase all apparatus and stock and block belonging to the out-going contractor at the Government Central Distillery, Bangalore, at a fair and equitable price to be fixed by the Excise Commissioner, calculating the original cost and deducting therefrom depreciation for the period of user at such average rate as may be determined by Government, and of which timely notice will be given to the out-going contractor, and to intending bidders by a Notification to be duly published in that behalf.

X. Improvements of a permanent nature shall be retained and not be disturbed except with the approval of the Executive Engineer.
